Bylaws

Article 16.

The meetings of the General Assembly will be both of an ordinary and special character. The ordinary meeting will be held once a year; the special meetings will be held when circumstances require, in the opinion of the President, when the EUSFLAT Board so agrees or when it is proposed in writing by 15% of the associates. In the latter case, from the time of the request for a Special General Assembly to its convocation, there must be a period of time not greater than two months.

Honorary Members of the EUSFLAT Society

So far we have the following Honorary Members:

Francesc Esteva
Enric Trillas
Ulrich Bodenhofer
Irina Perfilieva

Janusz Kacprzyk
Bernadette Bouchon-Meunier
Luis Magdalena
Radko Mesiar
Bernard de Baets

Javier Montero

4. EUSFLAT Awards: Honorary Members

This year **Gabriella Pasi**

is proposed by the Board and should be approved by the General Assembly to become a Honorary Member.

Gabriella Pasi's candidature is fully in consonance with the following criteria:

• strong contributions to **EUSFLAT's scientific field**,

• long-time **loyalty** and **strong contributions to the Society** and

• **prestige, authority, and experience**.

4. EUSFLAT Awards: Honorary Members

Gabriella Pasi is a Full Professor at the UNIVERSITY OF MILANO BICOCCA, Milano, Italy.

She has held a ***PhD in Computer Science***, *University of Rennes, France (mention Très Honorable).*

Director of the Department of Informatics, Systems and Communication, UNIVERSITY OF MILANO BICOCCA, Milano, Italy.

Vice Rector for International Relations, UNIVERSITY OF MILANO BICOCCA, Mlano, Italy.

4. EUSFLAT Awards: Honorary Members

- **Gabriella Pasi** has been the President of EUSFLAT from 2013 to 2017; during this period, she conceived the **Summer School on Soft Computing**, which is still running.
- She was awarded of the **Fellowship of the International Fuzzy Systems Association (IFSA)** in 2019.
- She received the 2023 **Outstanding Research Contributions Award** by the Web Intelligence Consortium.
- She was nominated **Honorary Fellow of the Web Intelligence Academy** in 2023.
- She was nominated **Corresponding Member** (Socio Corrispondente) **of the Accademia Nazionale di Scienze, Lettere e Arti di Palermo** in 2024.
- She was **the Chair of the Emergent Technology Technical Committee of the IEEE Computational Intelligence Society** (from 2019 to 2022).

4. EUSFLAT Awards: Honorary Members

Gabriella Pasi worked on **the first EUSFLAT Board (1999 - 2001),** and since then has served on subsequent boards in various roles. It can be verified at:

> https://eusflat.org/society-board-history.html
> where her name appears 12 times.

> She is still **actively collaborating with EUSFLAT,** participating in EUSFLAT Conferences as an author, special sessions organizer, co-chair, and IPC member.

> Summing up, Gabriella has been a very active member of EUSFLAT for many years.

Approval of the Honorary membership by voting:
        … is anyone against or abstained?

- According to current rules:
  - Conferences that are **umbrella events** for a number of member conferences, or **conferences with multiple tracks** each **with their own Program Committee and Chairs** are classified by ICORE as multiconferences and **as such are not classified**.
  - **High rejection rate** expected for assigning higher rank
  - Research leaders among participant/contributors
  - Reviews of papers by relevant people and providing detailed and extended feedback
  - Program committees will typically have a good number of well established researchers who have a history of publishing themselves in the conference (as well as strong younger researchers)
